## SGG GROUP ACQUIRES AUGENTIUS

SGG Group, a leading global investor services firm, backed by Astorg Partners, is pleased to announce the acquisition of Augentius, a leading global provider of alternative investment solutions to the Private Equity and Real Estate communities.

This acquisition propels SGG into the 4th leading investor services firm in the world with the deal growing its assets under administration (AuA) to over USD 400 billion.

Augentius offers a complete suite of fund administration, depositary, AIFMD reporting, regulatory compliance, FATCA/CRS and investor solutions to institutional investors across 13 jurisdictions including the US, the Philippines, Cayman, BVI, the UK, Guernsey, Jersey, Luxembourg, Amsterdam, Cyprus, Hong Kong, Singapore and Mauritius. The transaction, which is subject to regulatory approval, is expected to be completed by Q4 2018.

The services offered by Augentius will reinforce and complement SGG's current funds offering, including a state-of-the-art technological platform and experienced team with the reputation of providing high quality service. Augentius employs over 650 professionals.

SGG has made a number of acquisitions in recent months to extend its lead in the investor services industry through a complete offering across a number of jurisdictions, technologically advanced services and expert teams, and has an ambitious strategy for continued growth. Following the completion of the various acquisitions that the firm has recently announced together with Augentius, SGG will employ over 2350 professionals across 23 jurisdictions.

**Serge Krancenblum**, SGG Group's CEO, said,

*"This acquisition is in line with SGG's ongoing commitment to developing our product offering and geographical reach to become the leading global partner for the alternative investment industry. I am very excited by the acquisition of Augentius as it represents a transformational milestone for our business. Upon completion, SGG will have a comprehensive global offering to the alternative investment community. I am certain that there is an excellent cultural alignment between our two firms as both businesses put clients and its people at the core of what they do. Together we will take our combined group to new heights."*

**Ian Kelly**, CEO and Executive Director of Augentius, commented:

*"I believe that this is a hugely exciting opportunity as this deal will bring a wealth of new opportunities for our newly combined businesses, everyone within it and especially for our clients. SGG Group is one of the main consolidators of the industry and we are pleased to join forces with a global investor services firm which has the ambition to build a sustainable firm for this generation and the next."*

## **About SGG**

SGG Group is a leading global investor services firm providing a comprehensive range of compliance, administration, asset and advisory services to alternative investment funds, international companies, international families and entrepreneurs.

SGG has over 300 funds with Assets under Administration exceeding USD 250bn.

SGG Group is among the most flexible providers in the sector and our entrepreneurial spirit drives us to find the best solutions for our clients.

Helps clients realise their ambitions as they seek to keep pace with a changing environment. SGG Group attracts and retains the most experienced experts and invests in the industry's leading technology platforms to deliver the highest quality service to our clients.

## **About Augentius**

Augentius is one of the largest specialist independent providers of administration and depositary services to Private Equity and Real Estate managers in the world.

Augentius is a trusted advisor and service provider to private equity and real estate funds and has been helping clients minimise the burden and risk of fund administration for more than 12 years. They have built their success by delivering an exemplary service based on our twin commitments to client service and attention to detail.

Combined local service with global delivery, with offices in key jurisdictions that enable them to provide clients with a consistent level of service excellence and expertise; however clients choose to structure their funds.

Because they focus on private equity and real estate funds, they understand the very specific requirements of investors and fund managers and support clients at every stage of the fund lifecycle.
